To All Attorneys:

The Public Service Commission of South Carolina's Advisory Staff has furnished a list of four Tariff Revisions that have already been filed with the Commission, but only in redline versions. We would appreciate it if counsel for Duke Energy Carolinas and Duke Energy Progress would please file clean versions for the Commission's e-tariff system. The Revisions filed in redline version are as follows:

Revision No.: E2020-11

Tariff: PP – Purchased Power (Duke Energy Carolinas)

Revision No.: E2020-12

Tariff: Purchased Power Schedule PP-2 (Duke Energy Progress)

Revision No.: E2020-13

Tariff: Terms and Conditions for the Purchase of Electric Power – SC (Duke Energy Carolinas)

Revision No. E2020-14

Tariff: Terms and Conditions for the Purchase of Electric Power (Duke Energy Progress)

I thank you in advance for your help and consideration in this matter. I also want to say hello once again to everyone in the legal regulatory community.

Regards,
David Butler
Senior Counsel
Public Service Commission of South Carolina
